

## NOTIFICATION OF PUBLIC COMMENT PERIOD

### PROPOSED STATE FOREST

An application for federal funding by the Land & Water Conservation Fund (LWCF) has been submitted by the Virginia Department of Forestry (VDOT) to support its planned acquisition of property in Charlotte County, fronting on Saxkey Road, for a State Forest. LWCF is a federally funded program which provides grants to state and local governments for public outdoor recreation projects.

The public is invited to comment on the LWCF application, including comments on any environmental, cultural, or economic impacts that could be associated with the establishment of this new State Forest.

Comments should be provided in writing and mailed to Virginia Department of Forestry, Attn: Harvey Darden, 109 Page St., Franklin, VA 23851. More detailed information about the project will be available soon. Public comments will be accepted through December 30th, 2019 at 5pm.
