Hello everyone;

At the Leadership Roundtable meeting this morning, everyone was asked to share their top three accomplishments for the past four years. It was a tremendous acknowledgement of the effort we have been engaged in. The items included significant accomplishments as well as ongoing efforts - noteworthy because they happened in spite of COVID. We will collect this story of the agency and make it available for anyone that is interested. I also summarized the budget proposals that we submitted for consideration in the final budget of the Northam administration. If funded these items would provide additional resources to sustain or grow the work that we are involved in.

The VFA Summit meeting went very well last week. There were many times that people recognized the work of VDOF staff or commented on the great relationship that they have with VDOF staff. As always, don't underestimate the importance and impact of your individual efforts. You and your work are noticed and appreciated. Have a great week and enjoy the upcoming holiday weekend.
