Hello everyone,

I am sad to have to share that we have lost another member of the VDOF family. Greg Farrish, who served as a carpenter on our Building and Grounds team passed away last Thursday. Greg was a 30+ year employee of the VDOF. Please keep Greg's family and friends in your thoughts.

You have all received the program and logistics info for next week's All Agency meeting. I look forward to seeing everyone and having the chance for fellowship. The agenda is intentionally built with long breaks between sessions so that you can spend time with your co-workers, a rare opportunity, especially over the past couple years. This is a low-pressure event – no team building exercises – but it is a work event. Please be intentional about meeting new folks and making connections across the agency. And carpool.

See you there.
