What an excellent way to start the week! Celebrating our 246th birthday as a nation. I hope that everyone enjoyed the weekend and had safe travels. This week's Branch is filled with great projects and programs from your fellow employees and perhaps some future ones as well. Be sure to check out the blurb on the 74th "Camp Woods and Wildlife". This week has also witnessed our first large scale wildland firefighter deployment of the season. Please keep our firefighters in your thoughts as they fight fires and protect resources in Texas.

Stay safe,

Terry
